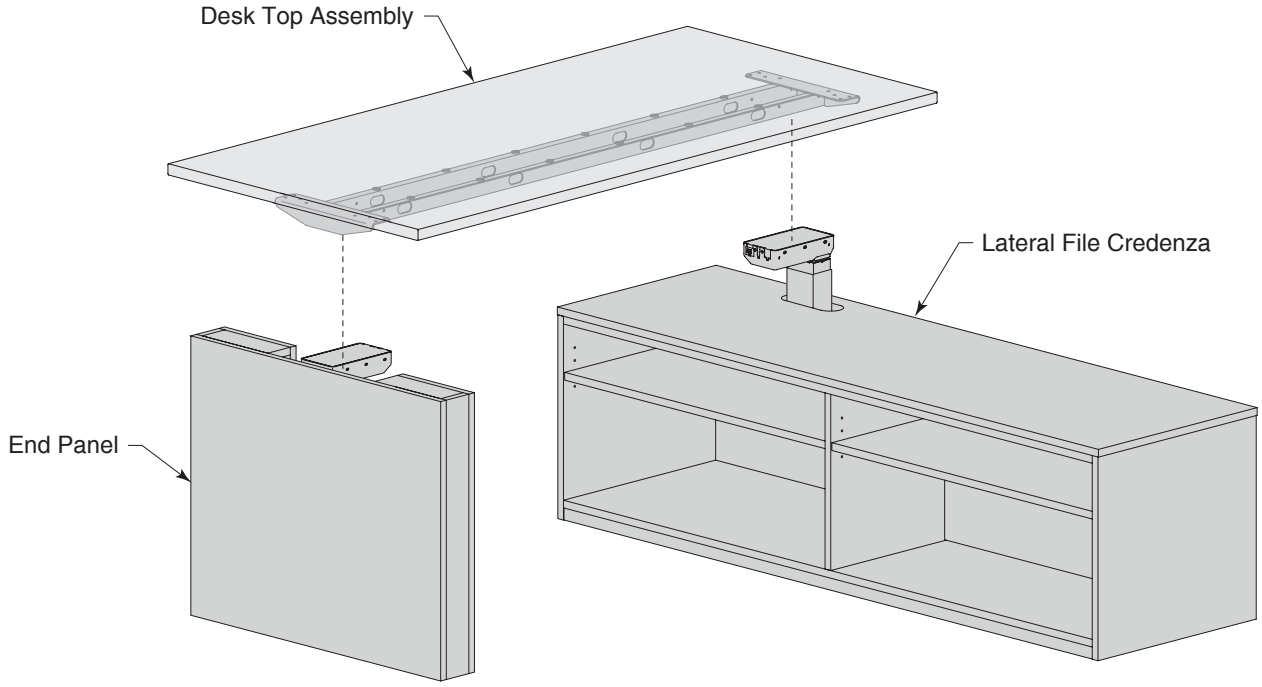
Package Contents



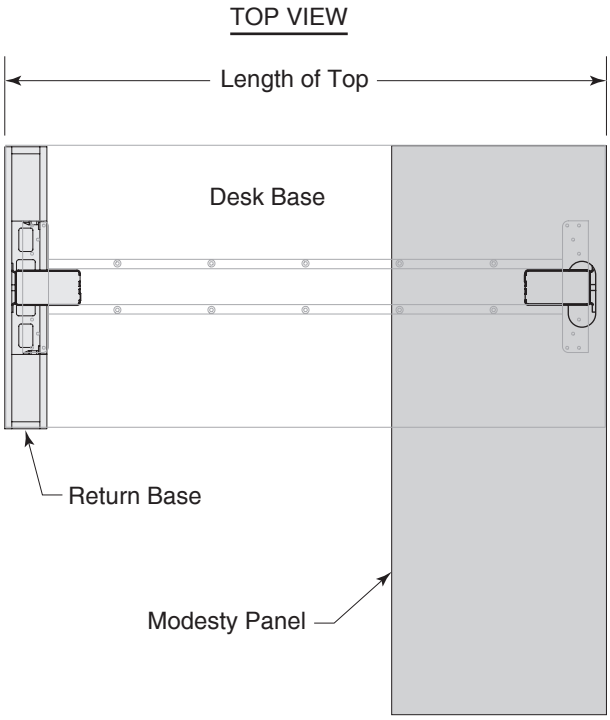
Notice To Installers: Failure to comply with installation instructions will compromise the safety, durability and performance of this product, which may risk injury to the user of this product and/or diminish the product life cycle. Jasper Group assumes no liability in these instances.

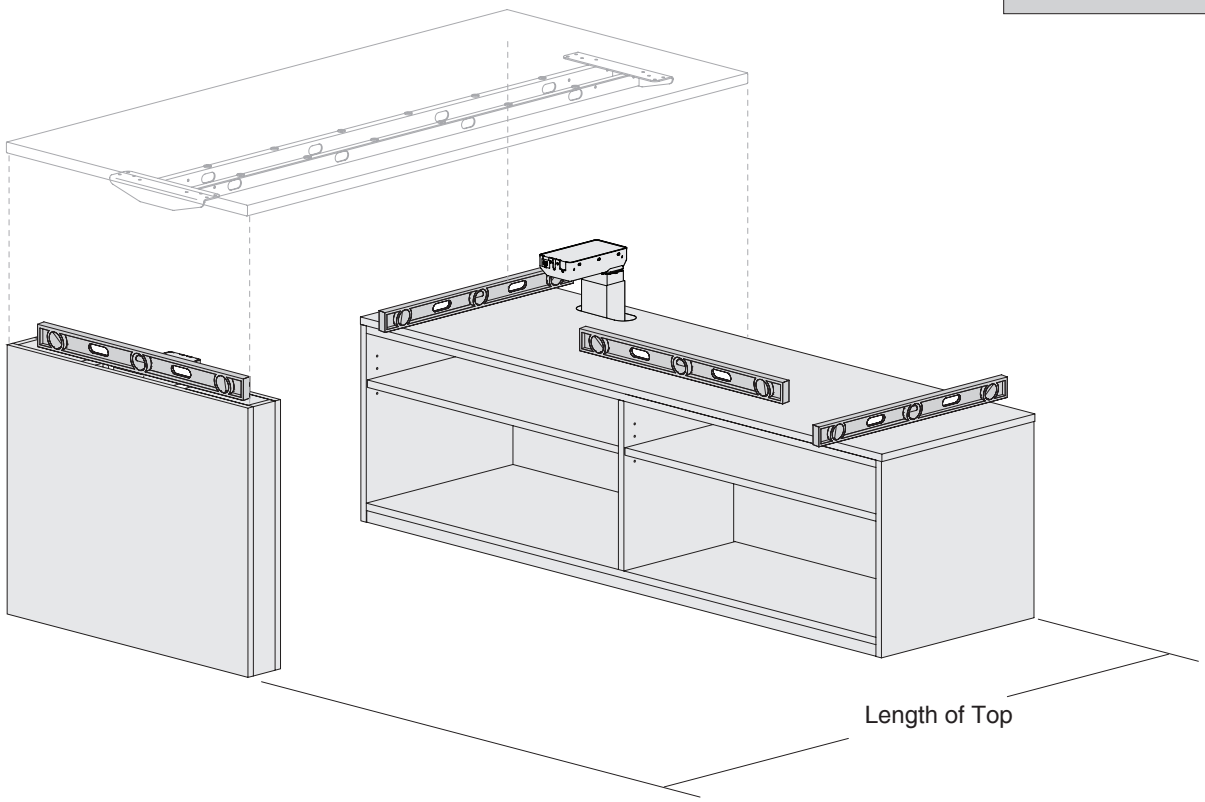
Step 1

Position and Level Units

- Position adjustable desk panel base and credenza in desired location. The length of desk top will determine the spacing between panel base and credenza.
- Level units front-to-back and side-to-side by rotating adjustable glides.

Adjustable Peninsula Desk Assembly (continued)



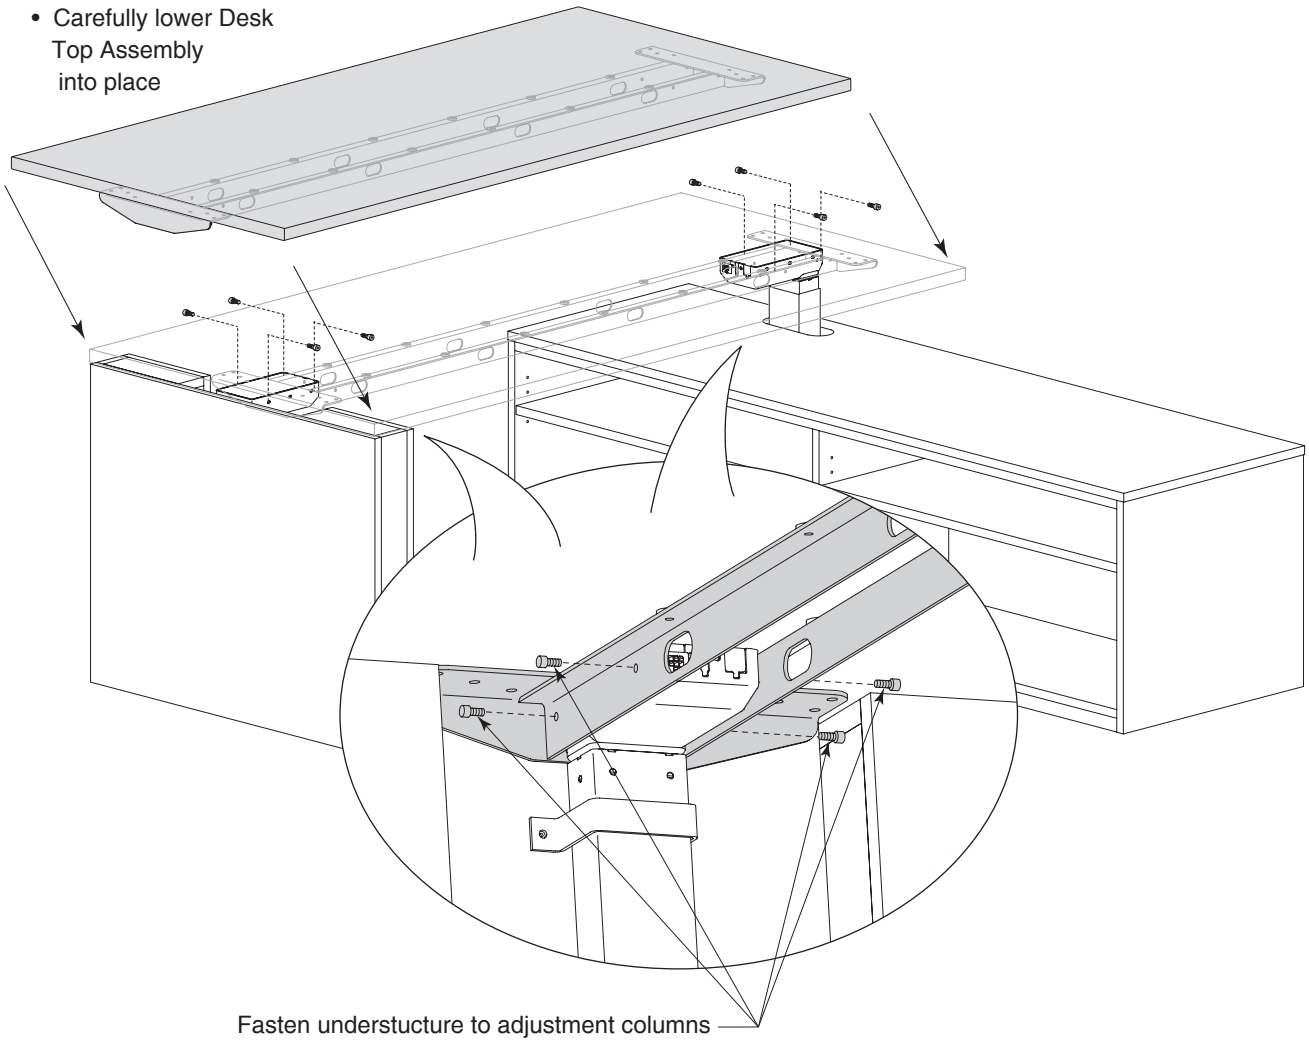


Notice To Installers: Failure to comply with installation instructions will compromise the safety, durability and performance of this product, which may risk injury to the user of this product and/or diminish the product life cycle. Jasper Group assumes no liability in these instances.

Step 2
Attach Worksurface

Adjustable Peninsula Desk Assembly (continued)

- Carefully lower Desk Top Assembly into place



Fasten understucture to adjustment columns using eight (8) #6 X 12mm socket head bolts, four (4) per side.
Note: Hand tighten only. Do NOT secure firmly at this point.
