Adjustable U-Unit Assembly

Hardware Used

Package Contents

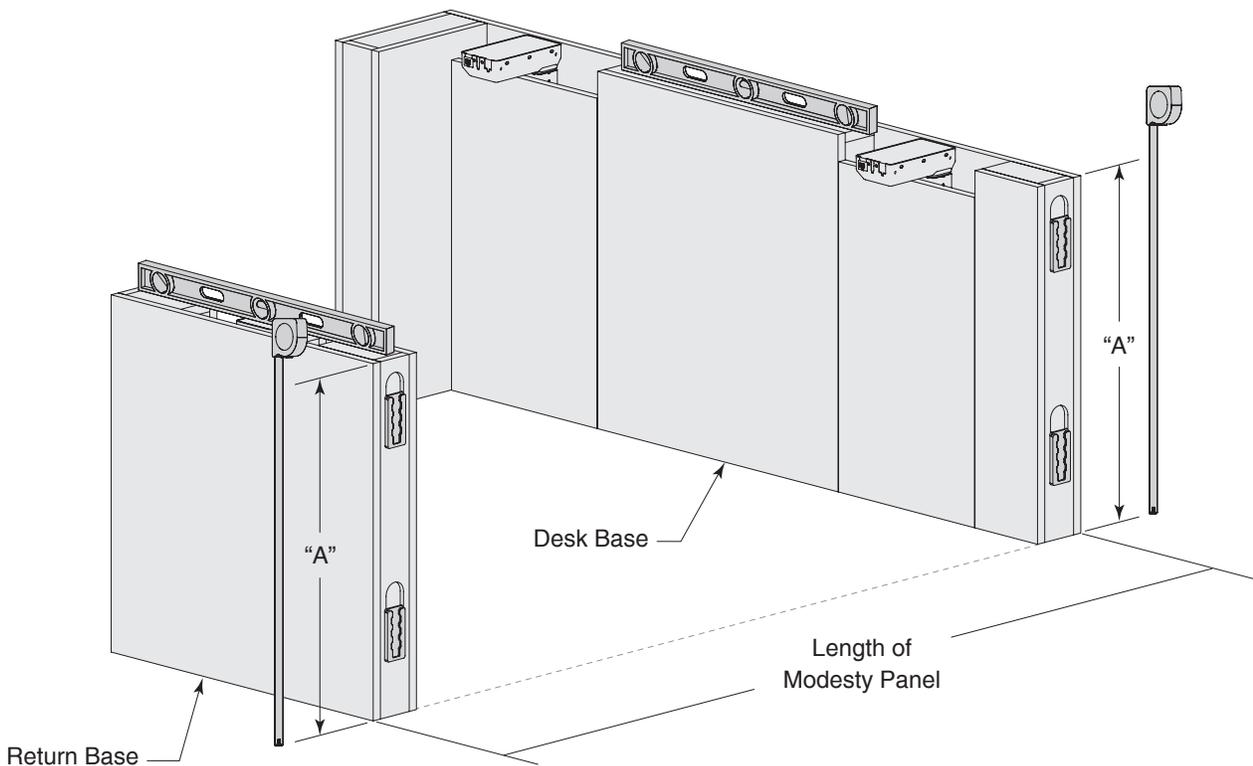

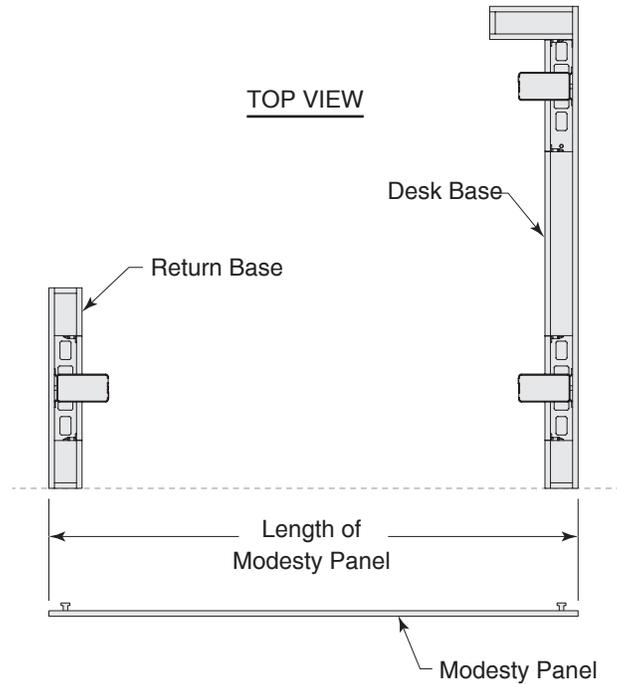

Notice To Installers: Failure to comply with installation instructions will compromise the safety, durability and performance of this product, which may risk injury to the user of this product and/or diminish the product life cycle. Jasper Group assumes no liability in these instances.

Step 1

Position and Level all Units

- Position adjustable desk panel base and adjustable return panel base in desired location. The length of desk will determine the spacing of the two bases.
- Level all units front-to-back and side-to-side by rotating adjustable glides.
- Units that share same worksurface are to be adjusted to same height. (Dim. "A")

**Adjustable U-Unit Assembly
(continued)**

Notice To Installers: Failure to comply with installation instructions will compromise the safety, durability and performance of this product, which may risk injury to the user of this product and/or diminish the product life cycle. Jasper Group assumes no liability in these instances.

Step 2

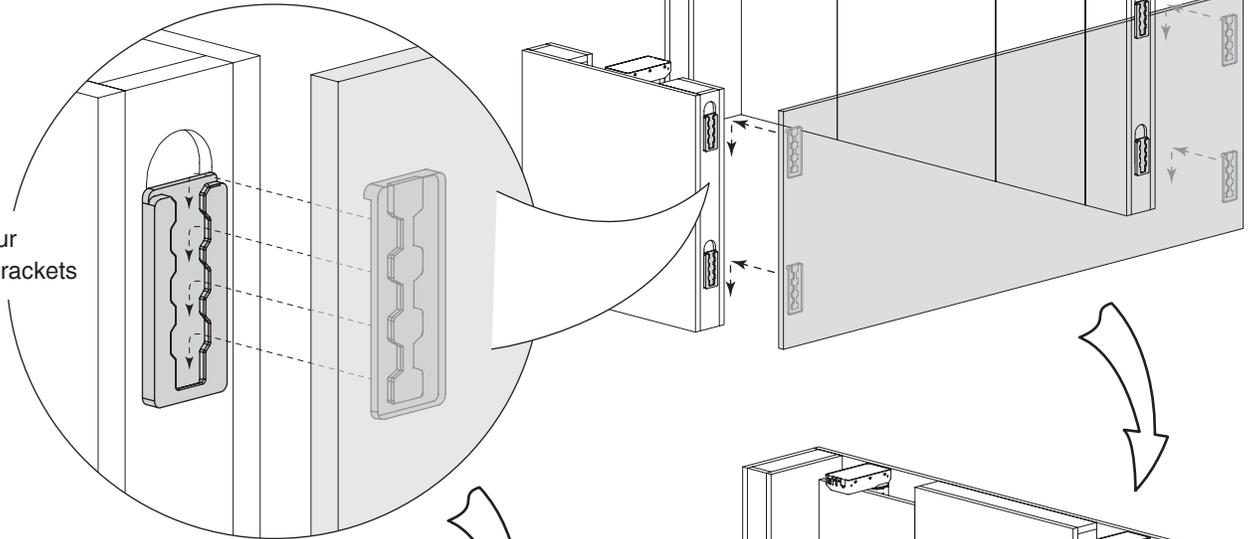

Attach Fixed Modesty Panel

Position and Level all Units

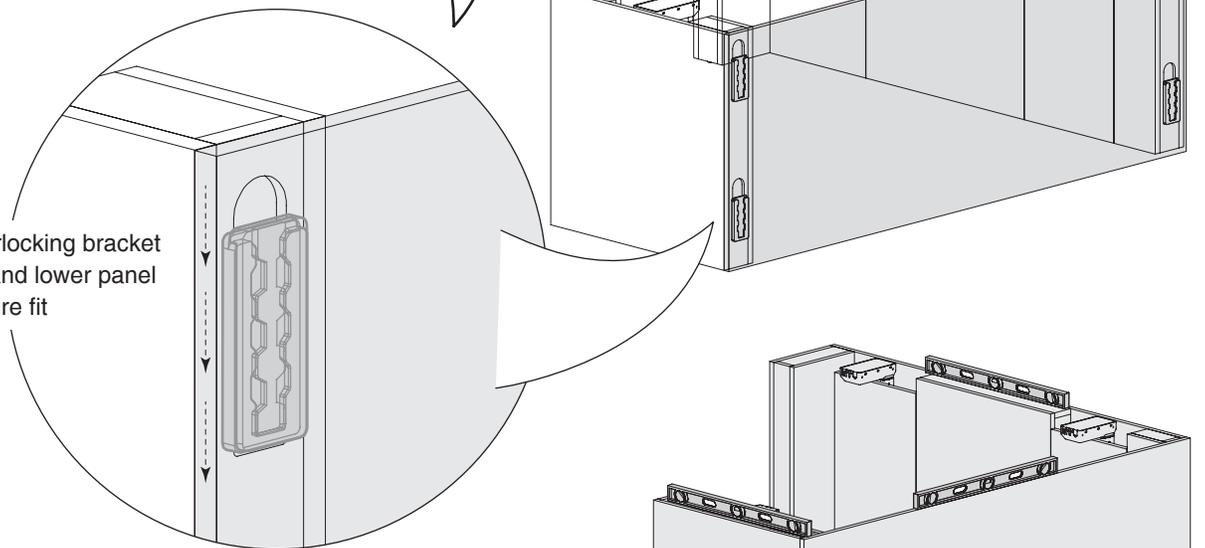

- Position adjustable desk panel base and adjustable return panel base in desired location. The length of desk will determine the spacing of the two bases.

Adjustable U-Unit Assembly (continued)

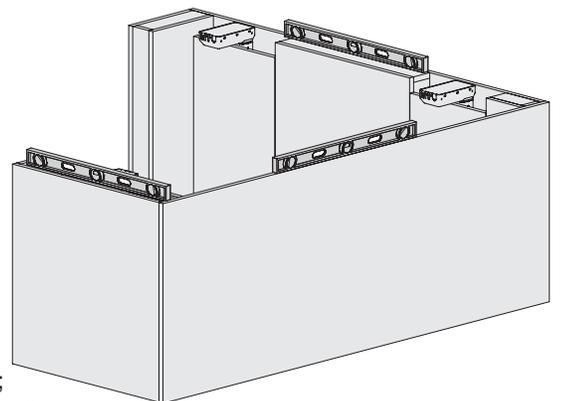

- Align all four fastening brackets

- Engage interlocking bracket components and lower panel for tight secure fit

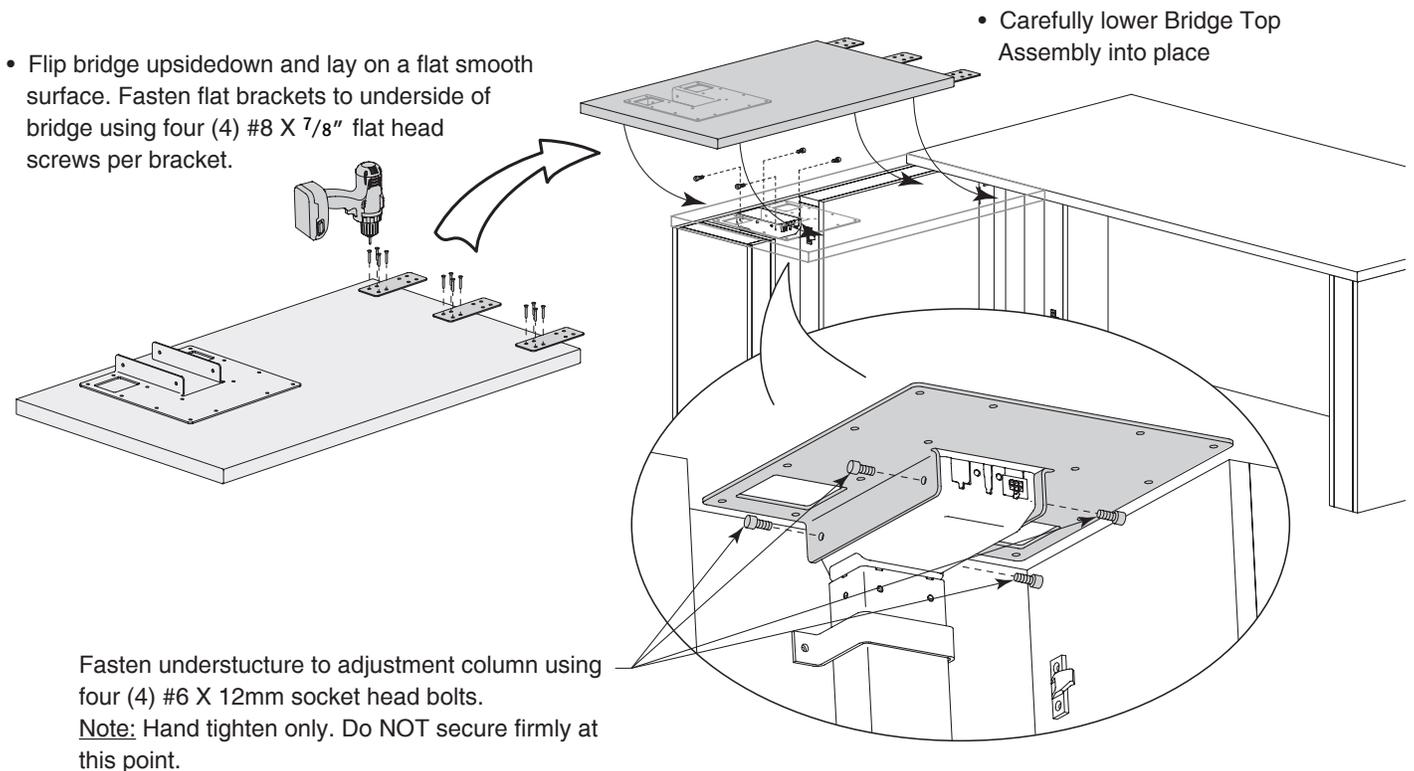

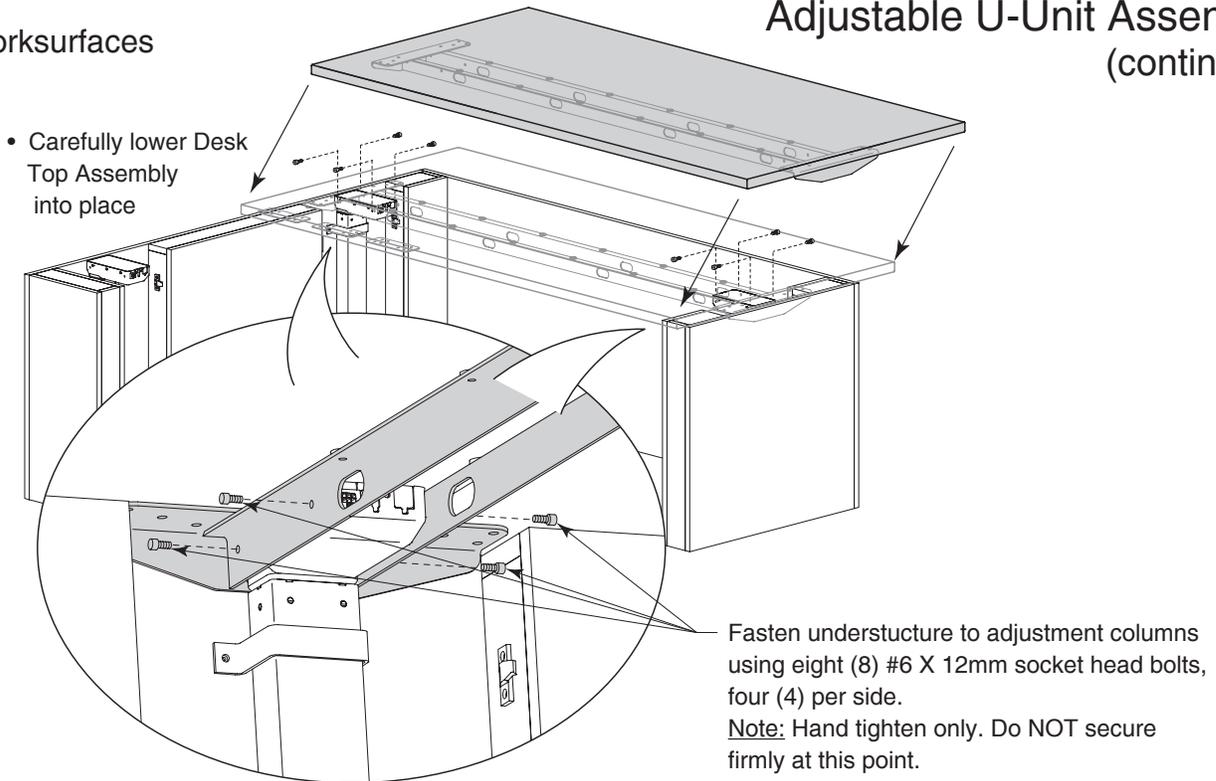

- Check that unit is level front to back and side to side; adjusting leveling guides according

Notice To Installers: Failure to comply with installation instructions will compromise the safety, durability and performance of this product, which may risk injury to the user of this product and/or diminish the product life cycle. Jasper Group assumes no liability in these instances.

Step 3
Attach Worksurfaces

Adjustable U-Unit Assembly
(continued)

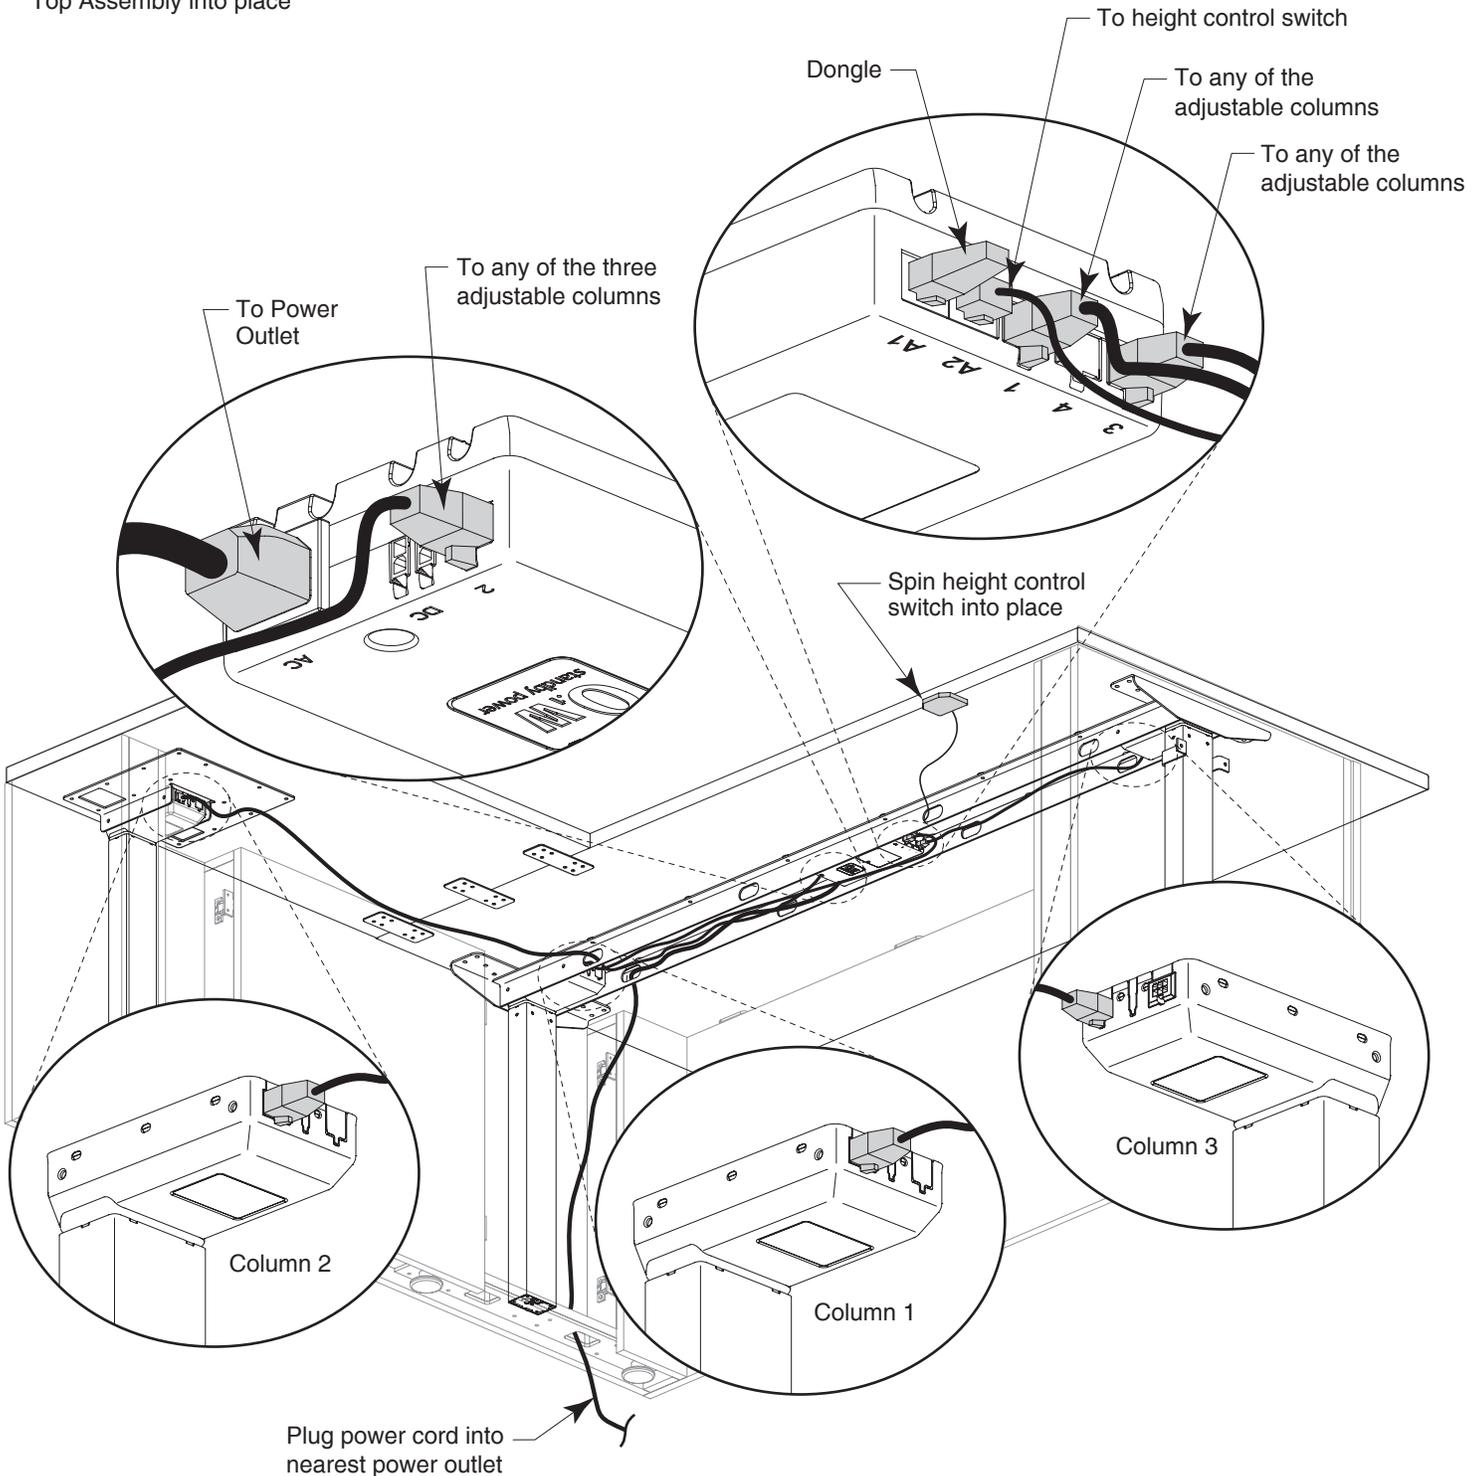

Notice To Installers: Failure to comply with installation instructions will compromise the safety, durability and performance of this product, which may risk injury to the user of this product and/or diminish the product life cycle. Jasper Group assumes no liability in these instances.

Step 4
