VISION

Vision's stunning adjustable height cantilevered table brings sophistication and function to office and meeting spaces. Shown here with JSI's BeSPACE credenza, this table adds beauty and innovation to any environment.

meet Vision.

REDEFINING
THE OFFICE SPACE.

Forever timeless meets freshly modern. Vision's refined details, elevated finishes and smart technology set the new expectation for office setups.

AN ICON AND A WORKHORSE.

—

True to form, true to function – no sacrifices. Teaming setups made effortlessly with Vision's mobile storage, integrated height adjust options, and character that defies aging.
