

VISION

for immediate release

AUGUST 2022

True to form, true to function – no sacrifices.

Redefining style, Vision elevates every moment. Fall in love with the clean lines, contemporary materials and versatile aesthetic of this sophisticated office collection with endless possibilities.

JSI's leading casegoods line, Vision, receives a makeover and sets a new bar for style and finesse in casegoods with beautiful architectural planes, soft sinuous curves, casual playful options and luxurious finishes. The offering has broadened significantly to reflect trending design and work styles, while never sacrificing budget.

Light scale work walls and floating shelves, seamlessly integrated ergonomics, low profile pulls, and rich new materials are just some of the details that take Vision to another level with this series update.

With SKUs and options numbering into the thousands, rest assured that Vision can solve almost any need in office interior spaces.

Available to specify on all etools and order August 29th, 2022 with lead times for most of the series at 10 weeks or less - go to www.jsifurniture.com/resources/lead-times for the most up-to-date information.
