

Somna Replacement Back Cushion

Install Instructions

Installation

Note: All hardware provided must be installed for proper installation and compliance with product warranty.

1. Open box and remove the replacement back cushion from the carton as shown in Fig. A.
2. Locate the (3) clips on the bottom back side of the sofa as shown in Fig. B.
3. Unclip the (3) straps from the bottom side of the sofa as shown in Fig. C.
4. Remove the cushion from the sofa.
5. Place and orient the replacement cushion on the top of the seat surface as shown in Fig. D.
6. Feed each of the (3) elastic straps through the clean out openings located in the back of the seat. Make sure the straps are not twisted as they are fed through the opening as shown in Fig. E.
7. Pull each of the (3) elastic straps through the bottom of the clean out openings and clip into the "D" rings using the steps in reverse order as shown in Figure C.
8. Fold the back cushion to its seated position as shown in Fig. F.
