

ENVIRONMENTALLY PREFERABLE PURCHASING POLICY

Jasper Seating Company Incorporated DBA Jasper Group and Brands recognizes the importance of environmental stewardship and aims to make informed purchasing decisions that minimize our overall footprint. It is the intent of Jasper Group to integrate environmental considerations into every aspect of acquisition, while maintaining the balance of social and economic considerations.

- Jasper Groups Purchasing Agents will seek to reduce the environmental damage associated with the acquisition of product, component and raw materials by increasing the acquisition of environmentally preferable products and services to the extent feasible, consistent with price, performance, availability and safety.
- Environmental factors will be considered early in the acquisition planning and decision process.
- Responsibility for environmentally preferable purchasing is shared among all purchasing agents.
- Environmentally preferable purchasing is one component of sustainability

Approved this 28th day of February 2024.
