

DULANY INDUSTRIES | Savannah, GA

Designer: Amber Scott

Portfolio Dulany Industries

INSPIRATIONAL TAKE ON THE TRADITIONAL PRIVATE OFFICE.

"The scandinavian-inspired design aesthetic and concise color and finish palette were determined within the initial concept development phase of the project, which was influenced by the building's modern architecture that created a canvas for scandinavian-inspired design. We felt the scandinavian design aesthetic is a perfect counterpoint to day-to-day stressors of digital life."
