

BUILT FOR THE NEXT STAY

Furniture for
the places guests
remember.

CAPABILITIES

Furniture built for hospitality.

From guest rooms to lobbies and public spaces, Klem brings expanded capabilities, design-minded solutions, and dependable project partnership to help hospitality teams create spaces that feel considered, perform beautifully, and keep projects moving.

EXPANDED CAPABILITIES

Klem has always been known for comfort, customization, and quality crafted for hospitality. Expanded capabilities now reach across casegoods, headboards, vanities, tables, and coordinated furniture packages, with more material options and specialty finishes that give design teams greater freedom. Still Klem, with more ways to say yes.

PROJECT PARTNERSHIP

From quote to delivery, the Klem team stays with each project from start to finish. Our U.S.-based design, engineering, and project management group brings clarity to complex hospitality work, with managed quality at every stage and a five-year limited warranty on every product. Expanded capabilities, same Klem care.

DELIVERY YOU CAN PLAN AROUND

Klem coordinates delivery to match your installation schedule, with flexible options and clear communication from quote through delivery. Secure packaging protects every piece, keeps jobsite waste down, and is primarily recyclable.

Nightstands

Glass tops, floating mounts, and metal corner details

Dressers + Credenzas

Media consoles and drawer storage

Storage + Wardrobes

Wardrobes, benches, and rounded-top forms

Tables

Desks, work surfaces, and occasional pieces

Vanities

Fluted fronts, stone tops, and vessel sinks

DESIGN THAT EARNS ITS STAY

Furniture that helps every space feel considered, comfortable, and ready for the next guest.

SUSTAINABILITY

Sustainability-minded, for healthy environments.

As a MindClick sustainability leader, Klem is committed to a healthier planet through responsible sourcing and thoughtful product choices. MindClick evaluates products for their environmental and social impact, from raw materials to end of use. Our casegoods carry significant recycled content and ship in recyclable packaging.

Our work goes beyond beautiful furniture. We focus on durable, high-value products aligned with social, environmental, and ergonomic standards, and on partnerships that improve process and product life cycle over time.

A trusted hospitality partner.
