

16 solitude suites

Elevate productivity to new heights.

DESIGN INTENT

Inspiring Productivity

Adjacent to the bustling Flex Field, lie the semi-private offices that invite a retreat into productivity and focus. These spaces represent a growing trend in workplaces, acknowledging the need for dedicated areas where individuals can truly immerse themselves in their work. The custom-built frames surrounding each office intentionally embrace openness, allowing natural light to cascade throughout, illuminating not just the rooms themselves, but the entire surrounding space. From any vantage point, one can capture captivating views that inspire and energize. Carefully designed to showcase versatility and style, these sought-after Solitude Suites offer a harmonious blend of zen and productivity, reflecting the evolving needs and tastes of today's workforce. Step inside and feel the transformative power of a space that empowers you to do your best work.
