Seating Quickship Product Information

JSI offers select Seating models, with select options, in our Quickship program. These items ship within 10 business days after receipt of a clean, credit approved purchase order. Items should be placed on order separate from standard lead time models.

Product for up to 25 seats of selected Seating can be included on a single Quickship order. Available capacity is filled by orders as they are received. If normal 10 day Quickship is not available because capacity has been filled, you will be immediately notified by JSI customer service. Changes and cancellations to Quickship orders are not allowed under any circumstances, nor are modifications to the predetermined Quickship offering. Limit one order per project.

A separate quickship catalog is available on the 20/20 Technologies through the CAP and Giza Platforms, as well as through Spec by Configura. Available product can also be specified from the Quickship tab on JSI's CET extension.
