**imagination** series

**Veneer**  
Clear on Black Limba, Espresso on Rift Oak, Chromozone Powder Coat  
All product was custom designed.

A unique fusion of urban textures and expressive elements. Inspiration from nature brought about a routed live wood edge that unites with soft upholstery to provide movement and balance. The low-profile concept with simple shelf extensions present a boutique allure highlighting modern design.

KLEM

**Laminate**  
Florence Walnut, Fabric Upholstery, Chromozone Powder Coat  
All product was custom designed.

A second look at nature. Like characteristics of a tree, this concept celebrates its layers by spanning across the entire headboard with depth found between the materials. The refined live edge detail offers a unique identity and organic beauty. Explore countless combinations with mixed materials including laminate, veneer and upholstery.

**Materials**

Choose from our standard collection of veneer finishes and laminate offering. KLEM also offers additional wood species, finishes, and laminates upon request.

**Hardware**

Choose between a variety of hardware options available in brushed nickel and brushed bronze. Additional hardware options are available upon request.

Use modular elements found within this brochure to create the configurations you need.

Mix and match, anything is possible when you use your imagination!

### imagination series

*This four part series shares a variety of ancillary items to coordinate with each headboard personality. Designed as stand-alone items, these can be built to fit most any design concept and feature the light, airy, and open feeling of European influence. Let your creativity lead you without limitations, selecting the materials and style that coordinate with your design project. It's all up to you.*

*Evoke your imagination...*

DESIGNED BY  
*Interior Image Group*

*Part of the Jasper Group family of brands, Klem is furniture for hospitality.*

The Klem brand manufactures exclusive, customized brand designs as well as product collections. By specializing in overnight stay facilities, we have learned how to provide comfort, customization and convenience for our customers.
