Classic. Refined. Sophisticated.

Oxley, from JSI, is a modern twist on a timeless visual. The bench series pairs a tufted seat with a sleek metal frame to give a mid-century modern feel. Relax with the refined beauty of Oxley while making a statement in any space. Dress it up or down with standard upholstery, quilted stitching, or classic tufting, available in 2 sizes. The spatial design and diverse stitch options gives this collection considerable flexibility.

Experience Oxley's classic, refined, and modest design at this NeoCon in space 3-111.
