

ACTIVE
GOVERNMENT
ENVIRONMENTS

lounge & waiting rooms

Sleek, flexible options to suit whatever you need, from casual dining areas to formal waiting rooms.

courtrooms

Furniture options designed specifically for the judiciary process, from the judge's bench to courtroom seating.

conference & training rooms

Spaces that let groups of all shapes and sizes come together for discussion, education, and collaboration.

office & administration

Work spaces to put ideas into action, take care of to-do lists, and get some peace and quiet.

Active governments depend on active environments.

New challenges arise in government every single day. But one thing remains the same: passionate people do whatever it takes to keep us all moving forward. They adapt to changes, answer the call to do more with less, and constantly find new, creative solutions, no matter how strict the confines. That commitment inspires us to create products for environments that are just as active and adept, making it easy to socialize, discover, collaborate, and focus.
