6 Techniques to Dramatically Upgrade the Quality of Your Presentations

1. Don't read slides, use bullet points. *Use a slide to show the audience what you're talking about, not to read from.*
2. Contrast your examples to be relevant to your audience, geographic, or shared passions. *Use a slide to show the audience what you're talking about, not to read from.*
3. Show how multiple aspects of an idea or a story before you tell about them. *Use a slide to show the audience what you're talking about, not to read from.*
4. Create a conflict in your story or a villain, hero, and struggle. *Use a slide to show the audience what you're talking about, not to read from.*
5. Ask for feedback. *Use a slide to show the audience what you're talking about, not to read from.*
6. Assume knowledge and ask for advice. *Use a slide to show the audience what you're talking about, not to read from.*
