PAGES 04 & 05

**style, function & flexibility**

Create a tailored solution using an extensive offering of materials, finishes, pulls and edges.  
Table desks feature a sleek metal frame and floating top available in clear glass, white back painted glass, veneer or custom material.

*Top* Paper management cubbies. Backpainted glass door.  
*Middle* Work tool rail. Dovetail drawer.  
*Bottom* Tilt-up power units. Pedestal access space.

finale

**Freestanding L Unit**

An L configuration provides function in today's office, while two storage heights create visual appeal. Multiple storage options helps to keep work areas clear and uncluttered.  
(Rectangular single pedestal desk shown with double height overhead, lateral file storage cabinet and Tyler seating.)

**Adjustable Height U Unit**

Specify familiar office configurations with integrated adjustable height worksurfaces to complement active work styles. Conveniently accessible double height storage overheads with paper management cubbies allow work efficiency.  
(Bow front single pedestal desk with Ergo, double height overhead with glass doors and cubbies, and Newton seating.)

**Wall-Mounted L Unit**

A variety of tower, wardrobe and mobile pedestal components accommodate various storage requirements with ease. Coordinating Finale conference tables add extra collaborative space within offices.  
(Bullet peninsula desk shown with multi-file return, Newton executive chair, and Sosa seating around round table with drum base.)

**Tandem Team Station**

Versatility is the cornerstone when building multi-station units for teaming environments. Combine vertical storage units, overheads, tackboards and adjustable height tables to form interactive stations for easy sharing of information.  
(Pneumatic adjustable height table desk with modesty, multi-file credenza, and Proxy seating.)

finale

**collaborative and conference**

Finale offers tables of varying sizes and shapes for meeting areas large and small. Plug and play technology options make it easy to share ideas and information.

**Top** Round conference table with drum base.  
**Newton** mid back seating.  
**Left** Power/data units.  
**Right** Rectangular table and bases.  
**Buffet credenza.** Protocol executive seating.

**DuraTex low-emission finish**

To reduce hazardous emissions, we use a proprietary, specially designed top coat that offers exceptional hardness, abrasion and impact resistance while reducing hazardous or harmful gases. DuraTex significantly reduces hazardous emissions which helps to improve the quality of the indoor air we breathe.
