organic MIX.

Finn is an organic mix of modern engineering, mid-century aesthetic, and Scandinavian design providing touchdown seating arrangements in smaller spaces to rounding out interior designs.

comfort and **STYLE.**

An accent chair is an important touch in any interior as they help reinforce a room's style, and can become a quick perch when seating is scant. A lounge series like this is a great option for mid-century-inspired style.

MIXED MATERIALS.

Subtle detailing exposes the material quality and the polished steel inlay contrasts with the natural wood frame.
