conference

Designed by Qdesign

# native

## **raw, authentic, natural.**

It's human nature to want to be part of a community, a tribe. Meeting around a table is fundamental to how we relate, and ultimately, how stuff gets done. Native, a series of meeting tables and ancillary furniture, intuitively and naturally supports how meetings happen.

application

# native

Whether a formal conference room with a 240" long conference table, or a casual gathering space with a 48" meeting table, Native has you covered.

application

# native

Collaborate across time zones with videoconferencing media walls.

application

# native

Brainstorm comfortably around occasional tables and mobile markerboards.

application

# native

Wherever you meet, however you meet,  
Native accommodates.
