ramona

unencumbered design meets flexible functionality

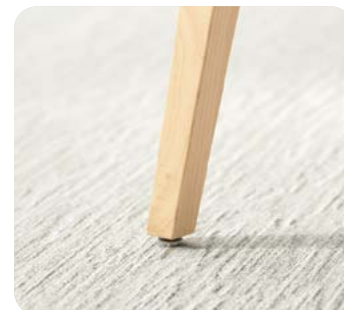

This versatile, refined guest seating collection is offered in four back profiles. Clean lines support modern style while the wall-saver design protects both wall and chair from damage.

attention to every detail

Tapered legs with deep-curved, steam bent slats define the visual simplicity that is Ramona, while quality construction reflects decades of skilled craftsmanship perfected.

ramona

no compromise for comfort

From style-forward slats to the full padded option, Ramona offers an ergonomic back contour for lasting comfort. The cushioned seat with waterfall design at the knee provides continuous support.
