# SCROLL

---

## BECAUSE CARE DOESN'T SIT STILL.

A thoughtful essential for fast-paced environments, Scroll is a go-to for caregivers who need to move with ease—and stay supported while doing it

## SCROLL

---

### BECAUSE CARE DOESN'T SIT STILL.

Whether in exam rooms, consult spaces, or patient rooms, Scroll keeps comfort close at hand with a generous seat, agile casters, and intuitive height adjustability.

## SCROLL

---

### BECAUSE CARE DOESN'T SIT STILL.

Lightweight yet  
steady, it's designed to roll  
with the rhythm of care.

# FEATURES

Scroll offers two thoughtful variations—models with and without a foot ring—plus a choice of standard or soft casters, so comfort and mobility move with you.
