## A SPACE TO RECHARGE.

Somna delivers the options to help users recharge: in-arm or undermount power; armless or wide arms to rest devices or drinks; and multiple arm cap materials. Integrating a Copilot pull-up table adds even more flexibility for visitors.

## READY FOR REST.

When it's time to rest, Somna easily folds down into a comfortable bed, so loved ones can recharge nearby, and bring the comforting support and closeness vital to healing.

## ELEVATED DESIGN.
