Sosa

mix and match nine progressive back styles

The modern guest chair compliments, transitions, or evolves an environment to make your perfect statement. Customize Sosa for any style with a wide family of back variations.

designed to inspire

What Sosa accomplishes in style and function, it doubles in comfort. Enhance the upholstered back with a stitch design for a touch of sophistication.

JSI

cost-conscious common sense

Intentional, functional design hallmarks Sosa for multi-purpose use and cost-effective execution. Solid wood arms and legs are tapered for a slender look, with wall-saver legs to prevent damage to the chair and environment.
