casegoods and conference

# vision

With an expanded offering of elements for specifying private offices, collaborative stations and open plan environments, the possibilities are extensive with Vision.

Modular components range from contemporary casework units to modern benching systems with low storage and a layered aesthetic.

# vision

Clean lines and contemporary veneers are the palette of an esteemed executive.

prominent, smart & sophisticated

# vision

A contemporary desk of classic proportions coupled with a freestanding storage wall provides the platform for executive decision making.

executive

# vision

An adjustable height bridge integrated into an efficient U-unit allows for active work styles while still reaping maximum benefits from reduced footprints.

management U-unit

# vision

Use modular components to combine a variety of storage units and worksurfaces for a multi-level, full-function station.

management L-unit

# vision

Modular L-units are flexible, affordable and a staple of every working office environment.

management L-unit

# vision

Various storage heights and contrasting fronts turn a standard U-unit into a contemporary work station.

management U-unit

# vision

Create fresh and open collaborative team environments that are as much a value as they are valuable.

multi-level team environments

# vision

A vast work surface and generous room to maneuver will help ensure a healthy and happy work force.

freestanding team station

# vision

The benefits of at-reach and low storage include increased efficiency and more team collaboration.

freestanding team station

# vision

Side-access storage cabinets and privacy screens delineate the work space while cockpit style surfaces promote work flow.

tandem cockpit units

# vision

Get a near custom fit in any space using the wide range of sizes available in the Vision modular offering.

tandem bench units

# vision

Back-to-back stations with a shared central activity hub are ideal for individual tasking and designed for immediate team engagements.

collaborative

# vision

A knife edge on a Vision conference table gives modern appeal to any meeting room.
