

# ziva

collaborative lounge

designed by David Allan Pessa

ziva

 JSI

**letting collaboration take any shape.**

Ziva effortlessly flows throughout any open workspace, letting collaboration of all kinds form naturally at every turn, twist, and corner. This flexible family was made to move around and stay as nimble as it is beautiful.

# ziva

Ziva is open when it needs to be, and private when quiet concentration is more important. Gradual curves and clean lines invite groups to huddle up, while upholstered surrounds block out the distractions.

introduction

ziva

Clean, modern, geometric lines and shapes  
Subtle, precise horizontal stitching  
Contemporary hard surfaces

introduction

 JSI

**features.**

Details matter, and Ziva doesn't overlook a single one.

# ziva

## **Lumbar support**

Subtle, precise horizontal stitching in the lumbar area creates interest, while adding comfort.

features

# ziva

## Power

Ziva's freestanding lounge may be specified with a black or white power outlet on the side, in the arm, or the privacy surround. The unit has two 120 volt outlets and two USB power outlets. The fourth section is open and can be field fitted with a custom selected port.

features

# ziva

## Tablet arms

All arms on freestanding and modular units are available with an optional 14" diameter tablet with a full 360 degree swivel.

The tablet is offered in:  
3/4" thick veneer or  
1/2" thick white solid surface

features

ziva

**Privacy surrounds**

An upper privacy surround on the single or two seater has acoustical capabilities, creating visual and audible privacy for the seated user.

features

# ziva

## Feet with levelers

Easy-to-level feet come with 1" height adjustability on the glide. Front feet support the caster option on single freestanding seats, if mobility is needed. Legs are die-cast zinc with a matte chrome finish.

features

# ziva

## **Casters**

Optional front casters on single seats are a critical part of the collection's ability to quickly change from one configuration to another.

features

# ziva

## Tables

Lightly scaled tables in both occasional and work heights are easy to pull up or put away.

Tops available in:

- cherry
- walnut
- maple
- glacier white solid surface

Arctic silver metal legs

features

# ziva

## **Upholstery**

Use fabrics that lend themselves to this type of stitching and upholstery, and avoid those that don't such as patterned fabric.

Contrasting fabric is available on the back, arms, seat or privacy surround.

All fabrics run railroaded.
