Veneer
Clear Coat on Walnut, Columbian Walnut on Maple, Chromozone Powder Coat
All product was custom designed and manufactured within the United States.

The night sky of cosmopolitan Chicago bordering the Great Lakes. The raised panel representing the water, has a translucent appearance allowing wave after wave of grain and texture. Vertical metal insets mimic the Chicago Skyway surrounded by a grid of routed cross-streets with a clear finish on beautiful natural walnut.

Laminate
Loft Oak, Asian Sand, Swan Cotton Stone
All product was custom designed and manufactured within the United States.

A simplified and charming variation, focusing on the essentials. This elevated view is a translation from the original design inspiration of the cosmopolitan Chicago skyline. Explore countless combinations with mixed materials including laminate, veneer and upholstery.
